

HEALTH & SAFETY POLICY STATEMENT

FORWARD

APRIL 2020

Terrain Construction Limited is committed to high standards of Health and Safety throughout and it is the Policy to create a working environment that is, so far as is reasonably practicable, free from risks which could effect any persons.

To be effective this Policy requires the commitment and active involvement of all Directors, Managers, Supervisors and Employees in the generation of safety awareness, competence and positive attitudes in undertaking our work activities with continuously improving safety performance.

Our key objectives are, so far as is reasonably practicable, to:

- *Identify and minimise the risk of injury and health hazards of all persons affected by Terrain Construction Limited activities.*
- *Ensure the legal obligations of Terrain Construction Limited and its employees are observed.*
- *Continuously improve standards of health, safety and welfare across Terrain Construction Limited.*
- *Promote the health, safety and welfare of our workforce as an integral responsibility of management and leadership.*

APPLICATION

This Policy applies to, and must be enforced by, **ALL** Directors, Managers, and Supervisors and be observed by all employees of *Terrain Construction Limited*. The Safety Management Control Documentation is structured as indicated.

HEALTH AND SAFETY POLICY STATEMENT

This statement of the Health and Safety Policy recognises obligations under the Health and Safety at Work Act 1974, Section 2(3). Terrain Construction Limited will conduct its activities to ensure that we:-

- Meet the duties as an Employer to do all that is reasonably practicable to prevent accidents, injuries or damage to health.
- Protect the health and safety of all employees and others who may be affected by our activities.
- Provide and maintain safe and healthy working environments for all employees ensuring that work carried out are does not affect the health, safety and welfare of others.
- Provide suitable information and train all employees to be aware of their own responsibilities in respect of the relevant health and safety matters affecting their work function.
- Ensure that when new substances, plant, machinery, processes or premises are introduced, that adequate information, advice and resources are available so that safe methods of work are developed.
- Meet the duties as an Employer to do all that is reasonably practicable to prevent accidents, injuries or damage to health.
- Ensure that all work is adequately assessed for risks to health and safety and that identified control measures are implemented, reviewed and maintained.
- Appoint a competent person to assist Terrain Construction Limited to meet the requirements and prohibitions of the relevant statutory provisions relating to health, safety and welfare.
